The information in this Annual Information Form is current to December 31, 2011, unless otherwise noted. All dollar amounts are in Canadian Dollars.

FORWARD-LOOKING STATEMENTS

The Annual Information Form ("AIF") contains forward-looking information based on management's best estimates and the current operating environment. These forward-looking statements are related to, but not limited to, Primaris Retail REIT's ("Primaris") operations, anticipated financial performance, business prospects and strategies. Forward-looking information typically contains statements with words such as "anticipate", "believe", "expect", "plan", or similar words suggesting future outcomes. Such forward-looking statements are subject to risks, uncertainties and other factors that could cause actual results to differ materially from future results expressed, projected or implied by such forward-looking statements.

In particular, certain statements in this document discuss Primaris' anticipated outlook of future events. These statements include, but are not limited to:

- (i) the accretive acquisition of properties and the anticipated extent of the accretion of any acquisitions, which could be impacted by demand for properties and the effect that demand has on acquisition capitalization rates and changes in the cost of capital;
- (ii) reinvesting to make improvements and maintenance to existing properties, which could be impacted by the availability of labour and capital resource allocation decisions;
- (iii) generating improved rental income and occupancy levels, which could be impacted by changes in demand for Primaris' properties, tenant bankruptcies, the effects of general economic conditions and supply of competitive locations in proximity to Primaris locations;
- (iv) overall indebtedness levels, which could be impacted by the level of acquisition activity Primaris is able to achieve and future financing opportunities;
- (v) tax exempt status, which can be impacted by regulatory changes enacted by governmental authorities;
- (vi) anticipated distributions and payout ratios, which could be impacted by capital expenditures, results of operations and capital resource allocation decisions;
- (vii) the effect that any contingencies would have on Primaris' financial statements;
- (viii) anticipated replacement of expiring tenancies, which could be impacted by the effects of general economic conditions and the supply of competitive locations; and
- (ix) the development of properties which could be impacted by real estate market cycles, the availability of labour and general economic conditions.

Although the forward-looking statements contained in this document are based on what management of Primaris believes are reasonable assumptions, forward-looking statements involve significant risks and uncertainties. They should not be read as guarantees of future performance or results and will not necessarily be an accurate indicator of whether or not such results will be achieved. Readers are cautioned not to place undue reliance on forward-looking statements as a number of factors could cause actual future results to differ from targets, expectations or estimates expressed in the forward-looking statements. Material factors or assumptions that were applied in drawing a conclusion or making an estimate set out in the forward-looking information may include: consumer spending patterns, relatively stable interest costs, access to equity and debt capital markets to fund, at acceptable costs, the future growth program and to enable Primaris to refinance debts as they mature, and the availability of purchase opportunities for growth.

Except as required by applicable law, Primaris undertakes no obligation to publicly update or revise any forward-looking statement, whether as a result of new information, future events or otherwise.

CORPORATE STRUCTURE

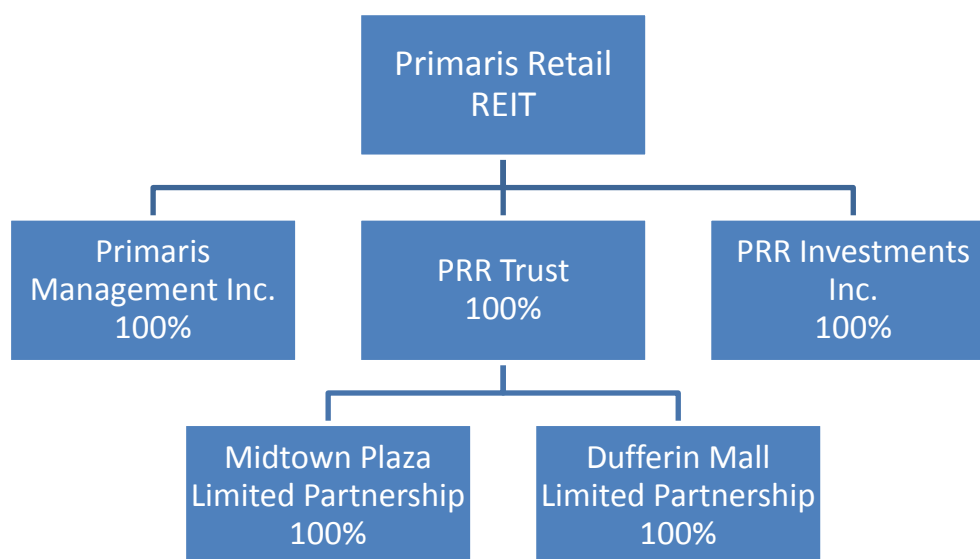

Primaris is an unincorporated, open-ended real estate investment trust established on March 28, 2003 by a Declaration of Trust under, and governed by, the laws of the Province of Ontario as amended and restated. Primaris was formed to directly or indirectly own, manage, lease and develop retail properties, primarily in Canada. The head office of Primaris is located at Suite 900, 1 Adelaide Street East, Toronto, ON, M5C 2V9.

Primaris' Units and convertible debentures trade under the symbols PMZ.UN and PMZ.DB, PMZ.DB.A, PMZ.DB.B and PMZ.DB.C respectively.

The Board of Trustees of Primaris is responsible for the general control and direction of Primaris, including decisions regarding the acquisition and disposition of Primaris' assets.

INTERCORPORATE RELATIONSHIPS

The following diagram illustrates the organizational structure of Primaris and its principal subsidiaries as at December 31, 2011.

Primaris Retail REIT and PRR Trust are trusts governed by Ontario law. All properties are held in PRR Trust or in subsidiaries of PRR Trust.

GENERAL DEVELOPMENT OF THE BUSINESS

Three Year History

Primaris has been internally managed since January 1, 2010 by a management team, most of whom were previously employed by the former Asset Manager and involved in managing Primaris' portfolio since its initial public offering. This change to its management structure followed a seven year relationship with external Asset and Property Managers. The contracts for these managers expired on December 31, 2009. Until December 31, 2009, management of Primaris had largely been carried out by employees of an Asset Manager, BREMI LP; property management services were provided to Primaris by OPGI Management Limited Partnership ("OPGI Management"), the general partner of which is OPGI Management GP Inc. Both BREMI LP and OPGI Management are affiliates of the Oxford Properties Group of companies which is owned by OMERS Administration Corporation.

Primaris now has an experienced management team and over 530 employees. In the past three years, Primaris has added to its portfolio of properties, acquiring seven principal properties, a 50% joint interest in another principal property and several smaller properties. Total assets are valued at \$3,559,100. The portfolio now consists of thirty-two properties in twenty-five markets spanning seven Canadian provinces. The portfolio's approximately 13.5 million square feet ("SF") of retail space is 97.1% occupied as of December 31, 2011.

DESCRIPTION OF THE BUSINESS

Primaris currently owns a portfolio of thirty-two principal properties and several smaller properties that contain approximately 13.5 million SF of gross leaseable area ("GLA"). The properties are located in twenty-five markets in seven provinces: British Columbia, Alberta, Saskatchewan, Manitoba, Ontario, Quebec, and New Brunswick.

As at December 31, 2011, the portfolio had a weighted average occupancy rate of 97.1% and was leased to more than 950 distinct tenants. In addition, no single tenant group represented more than 4.6% of the aggregate annualized minimum rent of the portfolio and only 19 tenant groups individually represented more than 1% of such annualized minimum rent.

The specific objectives of Primaris are:

1. to generate stable and growing cash distributions;
2. to enhance the value of Primaris' assets and maximize long-term Unit value; and
3. to expand the asset base of Primaris and increase its Funds From Operations through an accretive acquisition program.

Primaris continuously reviews its business operations, seeks to expand its asset base and reinvests in existing assets in order to position itself for sustainable future growth. Primaris has primarily invested in, and will continue to invest in retail properties, predominantly in Canada. These properties will, for the most part, be dominant in their primary trade areas (the "Target Market"). Other retail properties that complement the portfolio of Primaris will also be considered for acquisition. Subsequent to its initial public offering in 2003, Primaris has completed twenty-eight acquisitions and sold two small, non-core properties.

Retail centres that are well located in their respective markets present an attractive long-term investment opportunity given their characteristics, which include multi-year tenant relationships defined by leases, and the stable cash flow provided by such arrangements. Such retail centres typically provide growth opportunities through the lease-up of vacant space and the upward trend in rental rates through contractual escalations. Primaris believes it can implement an investment strategy of acquiring properties with these characteristics to provide additional cash flow and further enhance long-term portfolio value.

Primaris' internal growth strategy focuses on increasing rental income from its properties. Primaris actively manages the merchandising mix of each property to keep each property effectively aligned with its consumer market. Primaris leases vacant space at competitive market rates at the lowest possible transaction cost, maintains good relations with retailers and works with tenants to increase their sales. Primaris uses leasing activity to periodically adjust the merchandising mix of the properties. Rental income can also be improved through judicious investments in renovations and expansions. The properties are well-located, resulting in high tenant retention and a steady demand for space from prospective tenants. Rental income from properties with currently vacant space may be increased through active strategies for the leasing of such space.

Primaris' external growth strategy is driven by acquisitions of primarily mid-market retail centres in major cities and dominant shopping malls in secondary cities. Primaris employees are experienced in identifying opportunities that arise when owners choose to divest properties for strategic or other reasons.

DESCRIPTION OF THE PROPERTIES

This section of the AIF describes Primaris properties with information about the property location, tenants leasing more than 50,000 square feet, construction and renovation dates, gross leasable area, occupancy rates (on a committed basis and including temporary tenants) and commercial retail unit (CRU) sales per square foot (enclosed centres only).

The Properties

Enclosed Centres

All population figures in this section are approximate figures based on publically available information.

Aberdeen Mall

Aberdeen Mall is located at the intersection of the Trans Canada Highway and Hillside Way in southwest Kamloops, British Columbia. Kamloops has a population and primary trade area of 93,000 and a secondary trade area population of 150,000.

Aberdeen Mall is a 460,000 SF two-level enclosed regional shopping centre and is the largest mall in the region. The centre is both highly visible and easily accessed by its consumers. It offers the only Sears and Bay stores in Kamloops. Additionally, there are three major tenants leasing more than 15,000 SF: Future Shop, SportChek/Coast Mountain, and Cineplex Odeon. The average CRU sales performance was \$390 PSF for the year ended December 31, 2011.

The mall is situated on a 31.5 acre site and was developed in 1981, with the common areas refurbished in 1998. The centre opened in 1981 and underwent renovations in 1998.

Aberdeen Mall had 100% occupancy as of December 31, 2011. The expiry of CRU space does not

represent more than 6.4% of total GLA in any one of the next five years.

Burlington Mall

Burlington Mall is located at the intersection of Guelph Line and Fairview Street, in Burlington, Ontario, with a population of 175,800. The population of the primary trade area is 157,000 and the secondary trade area population is 223,000.

Burlington Mall is a 783,000 SF single-level enclosed community shopping centre, of which 638,000 SF is owned by Primaris. The centre is anchored by Canadian Tire (freestanding), and Zellers. The Zellers store is being converted to a Target store in 2013. The Bay (not owned) is attached to the centre and acts as a Shadow Anchor. Additionally, there are five major tenants: GoodLife Fitness, Winners, HomeSense, Sport Chek and Old Navy. The average CRU sales performance was \$386 PSF for the year ended December 31, 2011.

The owned site area comprises approximately 42 acres, excluding the Bay store and Ontario Hydro leased lands. Ontario Hydro leases to Primaris, a 1.8 acre parcel of land currently used for parking. The lease expires in 2019 and there is no right to renew. There are reciprocal Rights of First Refusal and Rights of First Offer in respect of the shopping centre with the owner of the Bay store.

The Centre opened in 1968 and has undergone renovations/expansions in 2001, 2004, and 2006.

Burlington Mall had 99.8% occupancy as of December 31, 2011. The expiry of CRU space does not represent more than 7.8% of total GLA in any one of the next five years.

DECLARATION OF TRUST AND DESCRIPTION OF UNITS

General

Primaris is an unincorporated open-ended trust created pursuant to a Declaration of Trust under, and governed by, the laws of the Province of Ontario. Although Primaris qualifies as a "mutual fund trust" as defined in the Tax Act, Primaris is not a "mutual fund" as defined by applicable securities legislation. Primaris has been established for an indefinite term. The following section and the description of the Board under "Management of Primaris" are summaries which do not purport to be complete with respect to the material attributes of the Units and certain provisions of the Declaration of Trust. Reference should be made to the Declaration of Trust for the full text of its provisions and a complete description of the Units.

Units and Special Voting Units

Primaris is authorized to issue an unlimited number of Units and an unlimited number of Special Voting Units.

Each Unit represents a Unitholder's proportionate undivided beneficial interest in Primaris. No Unit has any preference or priority over another. No Unitholder has or is deemed to have any right of ownership in any of the assets of Primaris.

Each Unit confers the right to one vote at any meeting of Unitholders and to participate pro rata in any distributions by Primaris, whether of net income, net realized capital gains or other amounts and, in the event of termination of Primaris, in the net assets of Primaris remaining after satisfaction of all liabilities. Units will be fully paid and non-assessable when issued (unless issued on an instalment receipt basis) and are transferable. Except as set out below under "Redemption Right", the Units have no conversion, retraction, redemption or pre-emptive rights. Issued and outstanding Units may be subdivided or consolidated from time to time by the Trustees without Unitholder approval. Fractional Units, if any, will be issued on any consolidation but fractional Units will not entitle the holders thereof to vote. The Units are not "deposits" within the meaning of the Canada Deposit Insurance Corporation Act (Canada) and are not insured under the provisions of such Act or any other legislation. Furthermore, Primaris is not a trust company and accordingly, is not registered under any trust and loan company legislation as it does not carry on or intend to carry on the business of a trust company.

Special Voting Units may be issued in series and shall only be issued in connection with or in relation to a unit, share or other security convertible into or exchangeable for Unit(s) ("Exchangeable Units") without the payment of additional consideration therefore, whether or not issued by Primaris. Each Special Voting Unit confers only the right to a number of votes at any meeting of Unitholders equal to the number of Units into which the Exchangeable Units to which such Special Voting Unit relates are exchangeable, exercisable or convertible. No holder of Special Voting Units has or is deemed to have any right of ownership of any asset of Primaris.

Neither the Units nor the Special Voting Units are shares in Primaris. As holders of Units or Special Voting Units in Primaris (together, the "Voting Unitholders"), the Voting Unitholders do not have statutory rights like a shareholder in a Business Corporations Act (Ontario) corporation or Canada Business Corporations Act corporation which are normally associated with the ownership of shares of a corporation including, for example, the right to bring "oppression" or "derivative" actions.

As of December 31, 2011, 82,740,232 Units were outstanding. This number includes 2,187,261 Exchangeable Units of which 1,815,756 are eligible to vote. The number of issued and outstanding Units also includes 371,505 Units which are held by a subsidiary of Primaris to be transferred upon conversion of Exchangeable Units; these Units are not eligible to vote until exchanged. On January 12, 2012, 40,000 Exchangeable Units were exchanged, and on February 15, 2012, 25,000 Exchangeable Units were exchanged leaving a balance outstanding of 2,122,261 Exchangeable Units of which 1,750,756 are eligible to vote.

Meetings of Voting Unitholders

The Declaration of Trust provides that meetings of Voting Unitholders must be called and held in various circumstances, including for the election or removal of Trustees, the appointment or removal of the auditors of Primaris, the approval of amendments to the Declaration of Trust (except as described below under "Amendments to Declaration of Trust"), the sale or transfer of the assets of Primaris as an entirety or substantially as an entirety (other than as part of an internal reorganization of the assets of Primaris as approved by the Trustees) and the termination of Primaris. Meetings of Voting Unitholders will be called and held annually for the election of the Trustees and the appointment of the auditors of Primaris. All meetings of Voting Unitholders shall be held in Canada. Certain amendments to the Declaration of Trust require the approval of two-thirds of the votes cast by Voting Unitholders. See "Amendments to the Declaration of Trust" below.

A meeting of Voting Unitholders may be convened at any time and for any purpose by the Trustees and must be convened, except in certain circumstances, if requisitioned by Voting Unitholders holding not less than 10% of the Votes attached to the Voting Units then outstanding by a written requisition. A requisition must state, in reasonable detail, the business proposed to be transacted at the meeting. Unitholders have the right to obtain a list of Unitholders to the same extent and upon the same conditions as those which apply to shareholders of a corporation governed by the Business Corporations Act (Ontario).

Voting Unitholders may attend and vote at all meetings of the Voting Unitholders either in person or by proxy and a proxyholder need not be a Voting Unitholder. Two persons present in person or represented by

proxy and representing in the aggregate at least five percent of the votes attached to all outstanding Voting Units shall constitute a quorum for the transaction of business at all such meetings. At any meeting at which a quorum is not present within one-half hour after the time fixed for the holding of such meeting, the meeting, if convened upon the request of the Voting Unitholders, shall be dissolved, but in any other case, the meeting will stand adjourned to a day not less than seven days later and to a place and time as chosen by the chair of the meeting, and if at such adjourned meeting a quorum is not present, the Voting Unitholders present either in person or by proxy shall be deemed to constitute a quorum.

Purchases of Units

Primaris may from time to time purchase Units in accordance with applicable securities legislation and the rules prescribed under applicable stock exchange or regulatory policies. Any such purchase will constitute an "issuer bid" under Canadian provincial securities legislation and must be conducted in accordance with the applicable requirements thereof. Refer to "Normal Course Issuer Bid" for details on the purchases by Primaris.

Redemption Right

Units are redeemable at any time on demand by the holders thereof upon delivery to Primaris of a duly completed and properly executed notice requesting redemption in a form reasonably acceptable to the Trustees, together with written instructions as to the number of Units to be redeemed. A Unitholder not otherwise holding a fully registered Unit certificate who wishes to exercise the redemption right will be required to obtain a redemption notice form from the Unitholder's investment dealer who will be required to deliver the completed redemption notice form to Primaris and to CDS. Upon receipt of the redemption notice by Primaris, all rights to and under the Units tendered for redemption shall be surrendered and the holder thereof shall be entitled to receive a price per Unit ("Redemption Price") equal to the lesser of: (i) 90% of the "market price" of the Units on the principal market on which the Units are quoted for trading during the 10 trading day period commencing immediately following the date on which the Units were surrendered for redemption (the "Redemption Date"); and (ii) 100% of the "closing market price" on the principal market on which the Units are listed for trading on the Redemption Date.

For the purposes of this calculation, "market price" will be the amount equal to the weighted average of the trading prices of the Units on the applicable market or exchange for each of the trading days on which there was a trade during the specified trading day period; and provided that if there was trading on the applicable exchange or market for fewer than five of the trading days during the specified trading day period, the "market price" will be the average of the following prices established for each of the trading days during the specified trading period: the average of the last bid and last asking prices of the Units for each day on which there was no trading and the weighted average trading prices of the Units for each day that there was trading. The "closing market price" will be an amount equal to the closing price of the Units on the applicable market or exchange if there was a trade on the specified date and the applicable exchange or market provides a closing price; an amount equal to the average of the highest and lowest prices of the Units on the applicable market or exchange if there was trading on the specified date and the exchange or other market provides only the highest and lowest prices of Units traded on a particular day; or the average of the last bid and last asking prices of the Units if there was no trading on the specified date.

If Units are not listed or quoted for trading in a public market, the Redemption Price will be the fair market value of the Units, which shall be determined by the Trustees in their sole discretion.

The aggregate Redemption Price payable by Primaris in respect of any Units surrendered for redemption during any calendar month shall be satisfied by way of a cash payment in Canadian dollars within 30 days after the end of the calendar month in which the Units were tendered for redemption, provided that the entitlement of Unitholders to receive cash upon the redemption of their Units is subject to the limitations that: (i) the total amount payable by Primaris in respect of such Units and all other Units tendered for redemption in the same calendar month shall not exceed \$50,000 (provided that such limitation may be waived at the discretion of the Trustees); (ii) at the time such Units are tendered for redemption, the outstanding Units shall be listed for trading on the TSX or traded or quoted on any other stock exchange or market which the Trustees consider, in their sole discretion, provides representative fair market value prices for the Units; (iii) the normal trading of Units is not suspended or halted on any stock exchange on which the Units are listed (or, if not listed on a stock exchange, on any market on which the Units are quoted for trading) on the Redemption Date or for more than five trading days during the 10-day trading period commencing immediately after the Redemption Date.

Cash payable on redemptions will be paid pro rata to all Unitholders tendering Units for redemption in any month. To the extent a Unitholder is not entitled to receive cash upon the redemption of Units as a result of any of the foregoing limitations, then the balance of the Redemption Price for such Units shall, subject to any

applicable regulatory approvals, be paid and satisfied by way of a distribution in specie of assets held by Primaris. In such circumstances, Series 1 Trust Notes and PRR Trust Units of a value equal to the balance of the Redemption Price will be redeemed by PRR Trust in consideration of the issuance to Primaris of Series 2 Trust Notes and Series 3 Trust Notes, respectively, with an aggregate principal amount equal to the balance of the Redemption Price. The Series 2 Trust Notes and Series 3 Trust Notes will then be distributed in satisfaction of the balance of the Redemption Price. No Series 2 Trust Notes or Series 3 Trust Notes in integral multiples of less than \$100 will be distributed and, where notes to be received by a Unitholder includes a multiple less than \$100, that number shall be rounded to the next lowest integral multiple of \$100. Primaris shall be entitled to all interest paid on the PRR Trust Notes, if any, and distributions paid on the PRR Trust Units on or before the date of the distribution in specie. Where Primaris makes a distribution in specie on the redemption of Units of a Unitholder, Primaris currently intends to allocate to that Unitholder any capital gain or income realized by Primaris on or in connection with such distribution.

It is anticipated that the redemption right described above will not be the primary mechanism for Unitholders to dispose of their Units. Series 2 Trust Notes and Series 3 Trust Notes which may be distributed to Unitholders in connection with a redemption will not be listed on any exchange, no market is expected to develop in securities of PRR Trust and such securities may be subject to an indefinite "hold period" or other resale restrictions under applicable securities laws. Series 2 Trust Notes and Series 3 Trust Notes so distributed may not be qualified investments for Plans, depending upon the circumstances at the time.

Take-Over Bids

The Declaration of Trust contains provisions to the effect that if a take-over bid or issuer bid is made for Units within the meaning of the Securities Act (Ontario) and not less than 90% of the Units (other than Units held at the date of the take-over bid by or on behalf of the offeror or associates or affiliates of the offeror) are taken up and paid for by the offeror, the offeror will be entitled to acquire the Units held by Unitholders who did not accept the offer either, at the election of each Unitholder, on the terms offered by the offeror or at the fair value of such Unitholder's Units determined in accordance with the procedures set out in the Declaration of Trust.

Issuance of Units and Exchangeable Units

Primaris may issue new Units from time to time. Unitholders do not have any pre-emptive rights whereby additional Voting Units proposed to be issued are first offered to existing Voting Unitholders. If the Trustees determine that Primaris does not have cash in an amount sufficient to make payment of the full amount of any distribution, the payment may include the issuance of additional Units having a value equal to the difference between the amount of such distribution and the amount of cash which has been determined by the Trustees to be available for the payment of such distribution. In addition, Units may be issued pursuant to the Distribution Reinvestment Plan, and any option plan or long-term incentive plan established by Primaris from time to time. New Units may be issued for cash through public offerings, through rights offerings to existing Unitholders (i.e., in which Unitholders receive rights to subscribe for new Units in proportion to their existing holdings of the Units, which rights may be exercised or sold to other investors), through private placements (i.e., offerings to specific investors which are not made generally available to the public or existing Unitholders) or as a result of conversion rights exercised under convertible securities, including exchangeable securities, convertible debentures, warrants and subscription receipts.

See section on capital raised for details of public offerings.

The price or the value of the consideration for which Units may be issued will be determined by the Trustees, and, where the Trustees so determine, generally in consultation with investment dealers or brokers who may act as underwriters in connection with offerings of Units and subject to applicable regulatory approvals.

The Declaration of Trust also provides that immediately after any pro rata distribution of Units to all Unitholders in satisfaction of any non-cash distribution, the number of outstanding Units will be consolidated so that each Unitholder will hold after the consolidation, the same number of Units as the Unitholder held before the non-cash distribution. In this case, each certificate representing a number of Units prior to the non-cash distribution is deemed to represent the same number of Units after the non-cash distribution and the consolidation.

Limitation on Non-Resident Ownership

In order for Primaris to maintain its status as a "mutual fund trust" under the Tax Act, Primaris must not be established or maintained primarily for the benefit of non-residents of Canada within the meaning of the Tax Act. Accordingly, at no time may non-residents of Canada (within the meaning of the Tax Act) be the beneficial owners of more than 49% of the Units and the Trustees shall inform the transfer agent and registrar of this restriction. The Trustees or management may require declarations as to the jurisdictions in

which beneficial owners of Units are resident. If the Trustees or management becomes aware, as a result of requiring such declarations as to beneficial ownership or otherwise, that the beneficial owners of 49% of the Units then outstanding are, or may be, non-residents or that such a situation is imminent, the Trustees or management may make a public announcement thereof and shall not accept a subscription for Units from or issue Units to a person unless the person provides a declaration that the person is not a non-resident. If, notwithstanding the foregoing, the Trustees or management determines that more than 49% of the Units are held by non-residents, the Trustees or management may send a notice to non-resident holders of Units, chosen in inverse order to the order of acquisition or registration or in such manner as the Trustees may consider equitable and practicable, requiring them to sell their Units or a portion thereof within a specified period of not less than 60 days. If the Unitholders receiving such notice have not sold the specified number of Units or provided the Trustees or management with satisfactory evidence that they are not non-residents within such period, the Trustees or management may, on behalf of such Unitholders sell such Units and, in the interim, shall suspend the voting and distribution rights attached to such Units. Upon such sale the affected holders shall cease to be holders of Units and their rights shall be limited to receiving the net proceeds of sale, subject to the right to receive payment of any distribution declared by the Trustees which is unpaid and owing to such Unitholders. The Trustees shall have no liability for the amount received provided that they act in good faith.

Information and Reports

Primaris furnishes to Unitholders such financial statements (including quarterly and annual financial statements) and other reports as are from time to time required by applicable law, including prescribed forms needed for the completion of Unitholders' tax returns under the Tax Act and equivalent provincial legislation. Prior to each Annual General Meeting of Unitholders, the Trustees provide the Unitholders (along with notice of such meeting) information similar to that required to be provided to shareholders of a public corporation governed by the Business Corporations Act (Ontario).

Amendments to Declaration of Trust

The Declaration of Trust may be amended or altered from time to time. Certain amendments require approval by at least two-thirds of the votes cast at a meeting of the Unitholders called for such purpose. Other amendments to the Declaration of Trust require approval by a majority of the votes cast at a meeting of the Unitholders called for such purpose.

The following amendments, among others, require the approval of two-thirds of the votes cast by all Unitholders at a meeting:

- (a) an exchange, reclassification or cancellation of all or part of the Units;
- (b) the addition, change or removal of the rights, privileges, restrictions or conditions attached to the Units;
- (c) the constraint of the issue, transfer or ownership of the Units or the change or removal of such constraint;
- (d) the sale or transfer of the assets of Primaris as an entirety or substantially as an entirety (other than as part of an internal reorganization of the assets of Primaris as approved by the Trustees);
- (e) the termination of Primaris; and
- (f) except as described herein, the amendment of Investment Guidelines and Operating Policies of Primaris.

The Trustees may, without the approval of the Unitholders, make certain amendments to the Declaration of Trust, including amendments:

- (a) aimed at ensuring continuing compliance with applicable laws, regulations, requirements or policies of any governmental authority having jurisdiction over (i) the Trustees or Primaris, (ii) the status of Primaris as a "mutual fund trust" or "registered investment" under the Tax Act or (iii) the distribution of Units;
- (b) which, in the opinion of the Trustees, provide additional protection for the Unitholders;
- (c) to remove any conflicts or inconsistencies in the Declaration of Trust or to make minor corrections which are, in the opinion of Trustees, necessary or desirable and not prejudicial to the Unitholders;
- (d) of a minor or clerical nature or to correct typographical mistakes, ambiguities or manifest omissions or errors, which amendments in the opinion of the Trustees are necessary or desirable and not prejudicial to the Unitholders;
- (e) which, in the opinion of the Trustees, are necessary or desirable as a result of changes in taxation or other laws or accounting standards;

-
- (f) necessary or desirable to enable Primaris to issue Units for which the purchase price is payable in instalments;
 - (g) to create one or more additional classes of units solely to provide voting rights to holders of shares, units or other securities that are exchangeable for Units entitling the holder thereof to a number of votes not exceeding the number of Units into which the exchangeable shares, units or other securities are exchangeable or convertible but that do not otherwise entitle the holder thereof to any rights with respect to Primaris' property or income other than a return of capital; and
 - (h) for any purpose (except one in respect of which a Unitholder vote is specifically otherwise required) which, in the opinion of the Trustees, is not prejudicial to Unitholders and is necessary or desirable.

CONVERTIBLE DEBENTURES

Convertible Debentures – Series 1

In June 2004, Primaris issued \$50 million principal amount of convertible unsecured subordinated debentures maturing on June 30, 2014 with a 6.75% per annum coupon, payable semi-annually on June 30 and December 31. The debentures are convertible, at the option of the holder, into Units at \$12.25 per Unit. These debentures are listed on the Toronto Stock Exchange ("TSX") under PMZ.DB.

The debentures may be redeemed prior to the Maturity Date by Primaris at a price equal to the principal amount thereof plus accrued and unpaid interest on not more than 60 days' and not less than 40 days' prior written notice.

Convertible Debentures – Series 2

In August 2007, Primaris issued \$100 million principal amount of convertible unsecured subordinated debentures maturing on August 1, 2014 with a 5.85% coupon per annum, payable semi-annually on August 1 and February 1, commencing February 1, 2008. The debentures are convertible, at the option of the holder, into Units at \$22.55 per Unit. These debentures are listed on the TSX under PMZ.DB.A.

The Debentures may be redeemed by Primaris prior to August 1, 2012, in whole at any time or in part from time to time, at a price equal to the principal amount thereof plus accrued and unpaid interest on not more than 60 days' and not less than 30 days' prior written notice, provided that the volume weighted-average trading price of the Units on the TSX for the 20 consecutive trading days ending five trading days preceding the date on which notice of redemption is given is not less than 125% of the conversion price. On or after August 1, 2012, and prior to the Maturity Date, the Debentures may be redeemed by Primaris, in whole at any time or in part from time to time, at a price equal to the principal amount thereof plus accrued and unpaid interest on not more than 60 days' and not less than 30 days' prior written notice.

Convertible Debentures – Series 3

In October of 2009, Primaris issued \$86.25 million principal amount of convertible unsecured subordinated debentures maturing on September 30, 2015 with a 6.30% coupon per annum, payable semi-annually on March 31 and September 30, commencing March 31, 2010. The debentures are convertible, at the option of the holder, into Units at \$16.70 per Unit. These debentures are listed on the TSX under PMZ.DB.B.

The debentures may not be redeemed by Primaris on or prior to October 1, 2012. Thereafter, but prior to October 1, 2014, the Debentures may be redeemed by Primaris, in whole at any time or in part from time to time, at a price equal to the principal amount thereof plus accrued and unpaid interest on not more than 60 days' and not less than 30 days' prior written notice, provided that the volume weighted-average trading price of the Units on the TSX for the 20 consecutive trading days ending five trading days preceding the date on which notice of redemption is given is not less than 125% of the conversion price. On or after October 1, 2014, and prior to the Maturity Date, the Debentures may be redeemed by Primaris, in whole at any time or in part from time to time, at a price equal to the principal amount thereof plus accrued and unpaid interest on not more than 60 days' and not less than 30 days' prior written notice.

Convertible Debentures – Series 4

In June of 2011, Primaris issued \$75 million principal amount of convertible unsecured subordinated debentures maturing on November 30, 2018 ("Maturity Date") with a 5.40% coupon per annum, payable semi-annually on May 31 and November 30, commencing November 30, 2011. The debentures are convertible, at the option of the holder, into Units at \$28.84 per Unit. These debentures are listed on the TSX under PMZ.DB.C.

The debentures may not be redeemed by Primaris on or prior to November 30, 2014. Thereafter, but prior to November 30, 2016, the Debentures may be redeemed by Primaris, in whole at any time or in part from

time to time, at a price equal to the principal amount thereof plus accrued and unpaid interest on not more than 60 days' and not less than 30 days' prior written notice, provided that the volume weighted-average trading price of the Units on the TSX for the 20 consecutive trading days ending five trading days preceding the date on which notice of redemption is given is not less than 125% of the conversion price. On or after December 1, 2016, and prior to the Maturity Date, the Debentures may be redeemed by Primaris, in whole at any time or in part from time to time, at a price equal to the principal amount thereof plus accrued and unpaid interest on not more than 60 days' and not less than 30 days' prior written notice.

NORMAL COURSE ISSUER BID

On December 21, 2011, Primaris announced that the TSX had accepted its notice of intention to conduct a normal course issuer bid (NCIB) to enable it to purchase up to 3,000,000 Units, representing approximately 3.7% of Primaris' public float of 80,499,942 Units as of November 30, 2011, pursuant to TSX rules. Purchases may be made until the earlier of December 22, 2012, the date Primaris completes its purchases pursuant to the notice of intention to make a NCIB filed with the TSX or the date of notice by Primaris of termination of the bid. Units purchased under the bid will be cancelled.

Primaris has had five prior NCIBs for one year's duration each, ending December 5, 2011, December 3, 2010, November 27, 2009, November 29, 2008 and November 29, 2007 respectively.

RATINGS OF THE UNITS AND DEBT

On September 28, 2010, the Units received an unsolicited stability rating from Dominion Bond Rating Service (DBRS) of STA-3 (low) under its stability rating system. This was unchanged from the September 9, 2009 rating by DBRS.

The stability rating is based on a rating scale developed by DBRS that provides an indication of both the stability and sustainability of an income fund's distributions per unit. Ratings categories range from STA-1 to STA-7, with STA-1 being the highest. DBRS further separates the ratings into high, middle and low to indicate where within the ratings category the fund falls. Ratings take into consideration seven main factors: (1) operating and industry characteristics, (2) asset quality, (3) financial flexibility, (4) diversification, (5) size and market position, (6) sponsorship/governance, and (7) growth. In addition, consideration is given to specific structural or contractual elements that may eliminate or mitigate risks or other potentially negative

factors. Specifically, income funds rated STA-3 are considered by DBRS to have good stability and sustainability of distributions per unit, but performance may be more sensitive to economic factors, have greater cyclical tendencies, and may not be as well diversified as STA-2, resulting in some potential for distributions per unit to fluctuate.

On May 26, 2011, DBRS confirmed the BB (high) Issuer Rating with a Stable trend. This credit rating confirmation followed the announcement of Primaris' proposed 2011 Acquisitions.

DBRS has confirmed a debt rating of BB (high) which remains unchanged from the September 9, 2009 debt rating. Virtually all long-term credit ratings use the DBRS long-term scale with symbols ranging from AAA (highest credit quality) to C (very highly speculative). A rating of BB by DBRS is the fifth highest of ten categories and denotes obligations defined to be speculative and non-investment grade, where the degree of protection afforded interest and principal is uncertain particularly during periods of economic recession. The assignment of a "(high)" or "(low)" modifier within each rating category indicates relative standing within such category.

The ratings accorded to the Units and debentures is not a recommendation to purchase, hold or sell the Units, inasmuch as the ratings do not comment as to market price or suitability for a particular investor. There is no assurance that the DBRS ratings will remain in effect for any given period of time or that these ratings will not be revised or withdrawn entirely by DBRS in the future if in its judgment circumstances so warrant. The ratings of the Units and debentures may not reflect the potential impact of all risks related to structure and other factors on the value of the Units and debentures. In addition, a real or anticipated change in the rating assigned to the Units and debentures may affect their market values.

INDEBTEDNESS AND OTHER OBLIGATIONS

At December 31, 2011, Primaris had \$1.43 billion of mortgages payable, excluding a debt premium of \$665 thousand, bearing a weighted average interest rate of 5.41%. This rate reflects the marking-to-market of interest rates at the point of acquisition for all debts assumed in conjunction with property acquisitions. The mortgages payable have a weighted average term to maturity of 5.8 years.

Year	Mortgages (millions)	Convertible Unsecured Debentures (millions)	Ground Leases (millions)	Operating Leases (millions)	Total (millions)

Total	\$ 1,431.6	\$240.2	\$41.1	\$14.2	\$1,727.1

Note: Mortgages represent Primaris' consolidated property level mortgages. Of the total mortgages balance, \$110,668 is recourse only to the underlying property.

UNITHOLDER RIGHTS PLAN

Primaris adopted a Unitholder rights plan ("Rights Plan") on March 3, 2005. The adoption was affirmed by a resolution of the Unitholders at the Annual General and Special Meeting on May 4, 2005, again on June 18, 2008, and most recently on May 17, 2011. The Rights Plan will expire on May 17, 2014, subject to affirmation every three years. A copy of the Rights Plan agreement is available at www.sedar.com.

RISK FACTORS

There are certain risks inherent in the activities of Primaris, including the following:

Real Property Ownership

Primaris owns 32 Canadian retail properties and is expected in the future to directly or indirectly acquire interests in other real property. All real property investments are subject to elements of risk. Such investments are affected by general economic conditions, local real estate markets, changing demographics, supply and demand for leased premises, competition from other available premises and various other factors.

Certain significant expenditures, including fixed expenditures, property tax, maintenance costs, ground rent, mortgage payments, insurance costs and related charges must be made throughout the period of ownership of real property regardless of whether the property is producing any income. If Primaris is unable to meet mortgage payments or ground rent payments on any property, losses could be sustained as a result of the mortgagee's exercise of its rights of foreclosure or sale or the landlord's exercise of remedies.

Tenant Risks

The value of real property and any improvements thereto depends on the credit and financial stability of the tenants. Primaris' Funds from Operations (FFO) may be adversely affected if tenants become unable to meet their obligations under their leases or if a significant amount of available space in the properties in which Primaris has an interest becomes vacant and is not able to be leased on economically favourable lease terms. Upon the expiry of any lease, there can be no assurance that the lease will be renewed or the tenant replaced. The terms of any subsequent lease may be less favourable to Primaris than the existing lease. In the event of default by a tenant, delays or limitations in enforcing rights as lessor may be experienced and substantial costs in protecting Primaris' investment may be incurred. Furthermore, at any time, a tenant of any of the properties in which Primaris has an interest may seek the protection of bankruptcy, insolvency or similar laws that could result in the rejection and termination of such tenant's lease and thereby cause a reduction in the cash flow available to Primaris. The ability to rent unleased space in the properties in which Primaris has an interest will be affected by many factors. Costs may be incurred in making improvements or repairs to the property required by a new tenant.

Certain of the major tenants are permitted to cease operating from their leased premises at any time at their option. Other major tenants are permitted to cease operating from their leased premises or to terminate their leases if certain events occur. Some Commercial Retail Units (CRU) tenants have a right to cease operating from their premises if certain major tenants cease operating from their premises. The exercise of such rights by a tenant may have a negative effect on a property. There can be no assurance that such rights will not be exercised in the future.

Reliance on Anchor Tenants

Retail shopping centres have traditionally relied on there being a number of anchor tenants (department stores, discount department stores and grocery stores) in the centre, and therefore they are subject to the risk of such anchor tenants either moving out of the property or going out of business. A property could be negatively affected by such a loss.

Interest Rate Fluctuations

From time to time, Primaris' financing includes indebtedness with interest payments based on variable lending rates that will result in fluctuations in Primaris' cost of borrowing. Changes in interest rates may also affect Primaris in many other ways, due to factors including the impact on the economy, the value of real estate, the value of Primaris' units, the economics of acquisition activity and the availability of capital.

Retail Concentration

Primaris' portfolio is limited to Canadian retail properties. Consequently, the market value of the properties and the income generated from them could be negatively affected by changes in the domestic retail environment.

Competition

The real estate business is competitive. Numerous other developers, managers and owners of retail properties compete with Primaris in seeking tenants. Some of the properties of Primaris' competitors are newer or better located or less levered than the properties in which Primaris has an interest. Some of Primaris' competitors are stronger financially and hence better able to withstand an economic downturn. The existence of competing developers, managers and owners and competition for Primaris' tenants could have an adverse effect on Primaris' ability to lease space in its properties and on the rents charged or concessions granted, and could adversely affect Primaris' revenues and its ability to meet its debt obligations.

Competition for acquisitions of real properties is intense, and some competitors may have the ability or inclination to acquire properties at a higher price or on terms less favourable than those that Primaris is prepared to accept. An increase in the availability of investment funds and an increase in interest in real property investments may tend to increase competition for real property investments, thereby increasing purchase prices and reducing the yield on them.

Financing Risks

Primaris has indebtedness outstanding of approximately \$1,679,254 as at December 31, 2011. A portion of the cash flow generated by the existing properties and any future acquired properties will be devoted to servicing such debt, and there can be no assurance that Primaris will continue to generate sufficient cash flow from operations to meet required interest and principal payments. If Primaris is unable to meet interest or principal payments, it could be required to seek renegotiation of such payments or obtain additional equity, debt or other financing. Primaris is subject to the risks associated with debt financing, including the risk that the mortgages and banking facilities secured by Primaris' properties will not be able to be re-financed or that the terms of such re-financing will not be as favourable as the terms of existing indebtedness.

Primaris has stated that one of its objectives is to grow through acquisitions. While Primaris has financial resources on hand to complete some acquisitions, the longer term ability of Primaris to fund acquisitions is dependent on both equity and debt capital markets. There are risks that, from time to time, such capital may not be available or may not be available on favourable terms.

Valuations

Valuations reflect an assessment of value based on the facts and circumstances as of the date the valuations were made. Such valuations may not have incorporated all relevant facts or may have relied on incorrect assumptions which may have been too optimistic or not sufficiently optimistic. Furthermore, valuations conducted at one point in time may not be reflective of value at another point in time, nor may the valuation be reflective of the value that could be obtained on a sale or other transaction.

Asset Liquidity

Real property investments tend to be relatively illiquid, with the degree of liquidity generally fluctuating in relation to demand for, and the perceived desirability of, such investments. Such illiquidity may tend to limit Primaris' ability to vary its portfolio promptly in response to changing economic or investment conditions. If Primaris were to be required to liquidate its real property investments, the proceeds to Primaris might be significantly less than the aggregate carrying value of its properties.

Capital Expenditures

Leasing capital and maintenance capital are incurred in irregular amounts and may exceed actual cash available from operations during certain periods. Primaris may be required to use part of its debt capacity or reduce distributions in order to accommodate such items. Capital for recoverable improvements may exceed recovery of amounts from tenants.

Distributions

Primaris is subject to provisions in its Declaration of Trust as well as to debt agreements that may impact the quantum of distributions. The sale of income-producing properties with inherent taxable gains could materially change Primaris' level of distributions.

Land Leases

To the extent that the properties in which Primaris has or will have an interest are located on leased land, the land leases may be subject to periodic rate resets that may fluctuate. This may result in significant rental rate adjustments and therefore have a potential negative effect on the cash flow of Primaris.

Environmental Matters

As an owner of interests in real property in Canada, Primaris is subject to various Canadian federal, provincial and municipal laws relating to environmental matters. Such laws provide that Primaris could be liable for the costs of removal of certain hazardous substances and remediation of certain hazardous locations. The failure to remove or remediate such substances or locations, if any, could adversely affect Primaris' ability to sell such real estate or to borrow using such real estate as collateral and could potentially also result in claims against the owner by private plaintiffs.

Primaris will make the necessary capital and operating expenditures to ensure compliance with environmental laws and regulations. Although there can be no assurances, Primaris does not believe that costs relating to environmental matters will have a material adverse effect on Primaris' business, financial condition or results of operation. However, environmental laws and regulations can change and Primaris or its subsidiaries may become subject to more stringent environmental laws and regulations in the future. Compliance with more stringent environmental laws and regulations could have an adverse effect on Primaris' business, financial condition or results of operations and distributions.

Reliance on Key Personnel

The management of Primaris depends on the services of certain key personnel. The loss of the services of any key personnel could have an adverse effect on Primaris if Primaris does not appropriately develop and plan for succession.

Tax-Related Risks

The specified investment flow-through rules ("SIFT Rules"), federal income tax legislation that result in a tax on certain flow-through entities, are not applicable to funds that qualify for an exemption available to certain Real Estate Investment Trusts (the "REIT Exemption"). The stated intention of the Minister of Finance (Canada) in introducing the REIT Exemption is to exempt certain Real Estate Investment Trusts from taxation as SIFTs in recognition of "the unique history and role of collective real estate investment vehicles". If Primaris fails to qualify for the REIT Exemption, Primaris will be subject to certain tax consequences including taxation of Primaris in a manner similar to corporations.

Management of Primaris intends to conduct the affairs of Primaris so that it continues to qualify for the REIT Exemption at all times: however, as the requirements of the REIT Exemption include complex revenue and asset tests, no assurances can be provided that Primaris will in fact so qualify at any time.

INVESTMENT GUIDELINES AND OPERATING POLICIES

Investment Guidelines

The Declaration of Trust provides certain guidelines on investments that may be made by Primaris. The assets of Primaris may be invested only with the approval of the Trustees and only in accordance with the following guidelines:

- (a) Primaris may only invest, directly or indirectly, in:
 - (i) interests (including fee ownership and leasehold interest) in income-producing real property located primarily in Canada;
 - (ii) corporations, trusts, partnerships or other persons which solely have interests (including the ownership of leasehold interests) in income-producing real property located primarily in Canada (or activities relating or ancillary thereto); and
 - (iii) such other activities as are consistent with the other investment guidelines of Primaris.
- (b) notwithstanding anything in paragraphs (a) to (k) hereof, and in the paragraphs under the heading "Investment Guidelines and Operating Policies — Operating Policies" Primaris shall not make any investment, take any action or omit to take any action that would result in Units not being units of a "mutual fund trust" within the meaning of the Tax Act, that would result in Units being disqualified for investment by Plans, that would result in Primaris being liable under the Tax Act to pay a tax as a result of holdings by Primaris of "foreign property"¹ as defined in the Tax Act, that would result in Units being foreign property for the purpose of the Tax Act for any such Plan (other than registered education savings plans) or other persons subject to tax under Part XI of the Tax Act or that would result in Primaris paying a tax under the registered investment provisions of the Tax Act for exceeding certain investment limits;
- (c) Primaris will not invest in any interest in a single real property if, after giving effect to the proposed investment, the cost of investment to Primaris (net of the amount of debt incurred or assumed in connection with such investment) will exceed 20% of Total Assets at the time the investment is made;
- (d) Primaris may, directly or indirectly, invest in a joint venture arrangement for the purposes of owning interests or investments otherwise permitted to be held by Primaris; provided that such joint venture arrangement contains terms and conditions which, in the opinion of the Trustees, are commercially reasonable, including without limitation such terms and conditions relating to restrictions on transfer and the acquisition and sale of Primaris' and any joint venturer's interest in the joint venture arrangement, provisions to provide liquidity to Primaris, such as buy-sell mechanisms, limit the liability of Primaris to third parties, and provide for the participation of Primaris in the management of the joint venture arrangement. For purposes of this provision, a joint venture arrangement is an arrangement

¹ The federal government repealed the Foreign Property Limit in the 2005 budget.

between Primaris and one or more other persons ("joint ventures") pursuant to which Primaris, directly or indirectly, conducts an undertaking for one or more of the purposes set out above and in respect of which Primaris may hold its interest jointly or in common or in another manner with others either directly or through the ownership of securities of a corporation or other entity (a "joint venture entity"), including without limitation a general partnership, limited partnership or limited liability company;

- (e) except for temporary investments held in cash, deposits with a Canadian chartered bank or trust company registered under the laws of Canada or of a province of Canada, short-term government debt securities, or receivables under instalment receipt agreements or money market instruments of, or guaranteed by, a Schedule 1 Canadian bank maturing prior to one year from the date of issue or except as permitted pursuant to paragraphs (a), (d), (g), (i) and (j) of these guidelines, and pursuant to subparagraph (a) under the heading "Investment Guidelines and Operating Policies — Operating Policies", Primaris may not hold securities other than securities of any issuer referred to in paragraph (a), (ii) securities of a joint venture entity or (iii) securities of an entity wholly-owned by Primaris formed and operated solely for the purpose of holding a particular real property or real properties and provided further that, notwithstanding anything contained in the Declaration of Trust to the contrary (except paragraph (b) of these guidelines), Primaris may acquire securities of other real estate investment trusts;
- (f) Primaris shall not invest in rights to or interests in mineral or other natural resources, including oil or gas, except as incidental to an investment in real property;
- (g) Primaris will not invest, directly or indirectly:
 - (i) in operating businesses unless such investment is an indirect investment and is incidental to a transaction:
 - A. where revenue will be derived, directly or indirectly, principally from real property; or
 - B. which principally involves the ownership, maintenance, improvement, leasing or management, directly or indirectly, of retail real property (in each case as determined by the Trustees); or
 - (ii) in predominantly special purpose properties, such as hotels, nursing homes or resort properties;
- (h) Primaris may invest in raw land for development and ownership or for other development projects for the purpose of (i) renovating or expanding properties or facilities on adjacent properties, or (ii) developing new properties which will, upon completion, be income producing provided that the aggregate value of the investments of Primaris in raw land, after giving effect to the proposed investment, will not exceed 5% of the Total Asset Value;
- (i) Primaris may invest in mortgages and mortgage bonds (including a participating or convertible mortgage) and similar instruments where:
 - (i) the mortgage or mortgage bond is issued by a Subsidiary; or
 - A. the real property which is security therefore is income-producing real property which otherwise meets the other investment guidelines of Primaris;
 - B. the amount of the mortgage loan is not in excess of 75% of the market value of the property securing the mortgage and the mortgage has at least 1.2X debt service coverage;
 - C. the mortgage is a first ranking mortgage registered on title to the real property which is security therefore; and
 - D. the aggregate book value of the investments of Primaris in mortgages, after giving effect to the proposed investment, will not exceed 10% of Total Assets;
- (j) notwithstanding any of the provisions hereof (except paragraph (b) of these guidelines), Primaris may invest in any mortgage providing, directly or indirectly, financing in connection with a transaction in which Primaris is the vendor or with the intention of using such mortgage as part of a method for subsequently acquiring an interest in or control of a property or a portfolio of properties; provided that the aggregate value of the investments of Primaris in mortgages, after giving effect to the proposed investment, will not exceed 10% of Total Assets and that such property or portfolio of properties are properties which Primaris would otherwise be eligible to invest its assets under this Declaration of Trust; and

-
- (k) Primaris may invest an amount (which, in the case of an amount invested to acquire real property, is the purchase price less the amount of any indebtedness assumed or incurred by Primaris) up to 8% of Total Assets of Primaris in investments which do not comply with one or more of paragraphs (a), (d), (e), (i) and (j) under the heading "Investment Guidelines and Operating Policies — Investment Guidelines" or paragraphs (c) and (e) under the heading "Investment Guidelines and Operating Policies — Operating Policies".

For the purpose of the foregoing restrictions, the assets, liabilities and transactions of a corporation or other entity wholly or partially owned by Primaris will be deemed to be those of Primaris on a proportionate consolidation basis. In addition, any references in the foregoing to investment in real property will be deemed to include an investment in a joint venture arrangement.

Operating Policies

The Declaration of Trust provides that the operations and affairs of Primaris shall be conducted in accordance with the following policies:

- (a) Primaris shall not purchase, sell, market or trade in currency or interest rate futures contracts otherwise than for hedging purposes where, for the purposes hereof, the term "hedging" shall have the meaning ascribed thereto by National Instrument 81-102 adopted by the Canadian Securities Administrators, as amended from time to time;
- (b) (i) any written instrument creating an obligation which is or includes the granting by Primaris of a mortgage, and (ii) to the extent management determines to be practicable, any written instrument which is, in the judgment of management, a material obligation shall contain a provision or be subject to an acknowledgement to the effect that the obligation being created is not personally binding upon, and that resort shall not be had to, nor shall recourse or satisfaction be sought from, the private property of any of the Trustees, Unitholders, annuitants under a plan of which a Unitholder acts as a trustee or carrier, or officers, employees or agents of Primaris, but that only property of Primaris or a specific portion thereof shall be bound; Primaris, however, is not required, but shall use all reasonable efforts, to comply with this requirement in respect of obligations assumed by Primaris upon the acquisition of real property;
- (c) Primaris will not lease or sublease to any person any real property, premises or space where that person and its affiliates would, after the contemplated lease or sublease, be leasing or subleasing real property, premises or space having a fair market value net of encumbrances in excess of 10% of Total Assets;
- (d) the limitation contained in paragraph (c) will not apply to the renewal of a lease or sublease and will not apply where the lessee or sublessee is, or where the lease or sublease is guaranteed by: (i) the Government of Canada, the Government of the United States, any province or territory of Canada, any state of the United States, any municipality or city in Canada or the United States, or any agency or crown corporation thereof; (ii) any corporation, of which any of the bonds, debentures or other evidences of indebtedness of, or guaranteed by an issuer, or any of the other securities of an issuer which have received and continue to hold, an investment grade rating from a recognized credit rating agency, in each case at the time the lease or sublease is entered into, or at the time other satisfactory leasing or pre-leasing arrangements (as determined by the Trustees in their discretion) were entered into; or (iii) a Canadian chartered bank or a trust company or insurance company registered or licensed federally or under the laws of a province of Canada;
- (e) in addition to the provisions of paragraph (h) under the heading "Investment Guidelines", Primaris may engage in construction or development of real property in order to maintain its real properties in good repair or to enhance the income-producing potential of properties in which Primaris has an interest;
- (f) title to each real property shall be held by and registered in the name of Primaris, the Trustees or in the name of a corporation or other entity owned, directly or indirectly, by Primaris or jointly-owned, directly or indirectly, by Primaris, with joint venturers or a corporation which is a nominee of Primaris which holds registered title to such real property pursuant to a nominee agreement with Primaris;
- (g) Primaris will not incur any new indebtedness (otherwise than by the assumption of existing indebtedness) or renew or refinance any indebtedness under a mortgage on any of the real property of Primaris where (i) in the case of an individual property, the amount borrowed exceeds 75% of the market value of such individual property or (ii) in the case of more than one property or a pool or portfolio of properties, the amount borrowed exceeds 75% of the market value of such properties on an aggregate basis;

-
- (h) Primaris will not incur or assume any indebtedness if, after giving effect to the incurring of the indebtedness, the total indebtedness of Primaris would be more than 65% of the Total Assets. For the purposes of this paragraph, the term "indebtedness" means any obligation of Primaris for borrowed money (excluding any premium in respect of indebtedness assumed by Primaris for which Primaris has the benefit of an interest rate subsidy, but only to the extent an amount receivable has been excluded in the calculation of Total Assets with respect to such interest rate subsidy), provided that (A) an obligation will constitute indebtedness only to the extent that it would appear as a liability on the consolidated balance sheet of Primaris in accordance with GAAP, (B) indebtedness excludes trade accounts payable, distributions payable to Unitholders and accrued liabilities arising in the ordinary course of business; and (C) convertible debentures will not constitute indebtedness provided Primaris has the option to satisfy principal through the issuance of Units;
- (i) at no time will Primaris incur indebtedness aggregating more than 15% of Total Assets (excluding trade account payables, accrued liabilities arising in the ordinary course of business, debt with an original maturity of one year or more falling due in the next 12 months or variable rate debt for which Primaris has entered into interest rate swap agreements to fix the interest rate for a one year period or more and distributions payable to Unitholders) at floating interest rates or having maturities of less than one year;
- (j) Primaris will not directly or indirectly guarantee any indebtedness or liabilities of any kind of a third party, except indebtedness or liabilities assumed or incurred by an entity in which Primaris holds an interest, directly or indirectly, or by an entity jointly-owned by Primaris with joint venturers and operated solely for the purpose of holding a particular property or properties where such indebtedness, if granted by Primaris directly, would not cause Primaris to otherwise contravene the guidelines set out under the heading "Investment Guidelines". Primaris is not required but shall use its reasonable best efforts to comply with this requirement (i) in respect of obligations assumed by Primaris pursuant to the acquisition of real property or (ii) if doing so is necessary or desirable in order to further the initiatives of Primaris permitted under the Declaration of Trust;
- (k) no acquisition may be made nor any development undertaken unless and until the officers of Primaris have prepared and presented to the Investment Committee or the Trustees a written report containing their recommendation that Primaris make the investment together with a financial analysis of the estimated cost and projected return from the investment and such supplementary information and data (including, without limitation, underlying assumptions, proposed financial arrangements, leasing and economic and market data) as is reasonably necessary to the investment decision;
- (l) Primaris shall obtain and maintain at all times insurance coverage in respect of potential liabilities of Primaris and the accidental loss of value of the assets of Primaris from risks, in amounts, with such insurers, and on such terms as the Trustees consider appropriate, taking into account all relevant factors including the practices of owners of comparable properties; and
- (m) Primaris shall obtain a building condition report and a Phase I environmental audit of each real property to be acquired by it and, if the Phase I environmental audit report recommends a Phase II environmental audit be obtained, Primaris shall obtain a Phase II environmental audit, in each case by an independent and experienced environmental consultant; as a condition to any acquisition, such audit must be satisfactory to the Trustees.

For the purpose of the foregoing policies, the assets, liabilities and transactions of a corporation or other entity wholly or partially owned by Primaris will be deemed to be those of Primaris on a proportionate consolidated basis. In addition, any references in the foregoing investment guidelines and operating policies to investment in real property will be deemed to include an investment in a joint venture.

Certain amendments to the Investment Guidelines (sections (c),(i)(i)D,(j),(k)) and Operating Policies (sections (c),(h),(i)) above were necessitated by the implementation of IFRS. These changes were approved by the Board of Trustees under the authority granted to them at the 2010 Annual and Special Meeting and the Board intends to seek ratification of these changes by Unitholders at the 2012 Annual General Meeting.

Amendments to Investment Guidelines and Operating Policies

Pursuant to the Declaration of Trust, all of the investment guidelines set out under the heading "Investment Guidelines" and the operating policies contained in paragraphs (b), (e), (g), (h), (i), (l) and (m) set out under the heading "Operating Policies" may be amended only with the approval of two-thirds of the votes cast by Unitholders of Primaris at a meeting of Unitholders called for such purpose. The remaining operating policies may be amended with the approval of a majority of the votes cast by Unitholders at a meeting called for such purpose.

DISTRIBUTION POLICY AND HISTORY

The following outlines the distribution policy of Primaris as contained in the Declaration of Trust. The distribution policy may be amended only with the approval of a majority of the votes cast at a meeting of Unitholders. Subject to compliance with such distribution policy, determinations as to the amounts actually distributable are in the discretion of the Trustees and shall be made by the Distribution Committee of the Board of Trustees.

General

Primaris may distribute to Unitholders on each Distribution Date such percentage of the revenue of the Trust for the calendar month then ended as the Trustees determine in their discretion.

Tax Deferral on Distributions

The adjusted cost base of Units held by a Unitholder generally will be reduced by the non-taxable portion of distributions made to the Unitholder (other than the non-taxable portion of certain capital gains). A Unitholder will generally realize a capital gain to the extent that the adjusted cost base of the Unitholder's Units would otherwise be a negative amount, notwithstanding that the Unitholder has not sold any Units.

Distribution Reinvestment Plan

Primaris has a Distribution Reinvestment Plan pursuant to which Unitholders may elect to have all cash distributions of Primaris automatically reinvested in additional Units at a price per Unit calculated by reference to the weighted average of the closing price of Units on the TSX for the 20 trading days immediately preceding the relevant Distribution Date. Unitholders who so elect will receive a further distribution of Units equal in value to 3% of each distribution that was reinvested by the Unitholder.

No brokerage commissions are payable in connection with the purchase of Units under the Distribution Reinvestment Plan and all administrative costs are borne by Primaris. Cash undistributed by Primaris upon the issuance of additional Units under the Distribution Reinvestment Plan is invested in Primaris to be used for future property acquisitions, capital improvements and working capital.

Unitholders resident outside of Canada are not entitled to participate in the Distribution Reinvestment Plan. Upon ceasing to be a resident of Canada, a Unitholder must terminate the Unitholder's participation in the Distribution Reinvestment Plan.

MANAGEMENT OF PRIMARIS

The investment policies and operations of Primaris are subject to the control and direction of the Trustees, a majority of whom must be resident Canadians and a majority of whom must be Independent Trustees except in certain limited circumstances. The role of the Trustees is similar to the role of directors of a corporation. The day-to-day activities of Primaris are directed by management.

BOARD OF TRUSTEES

The Declaration of Trust provides that the investment policies and operations of Primaris are the responsibility of the Board. The Declaration of Trust provides for a Board of between three and twelve Trustees. The number of Trustees is currently set at seven. The number of Trustees may be changed by the Voting Unitholders or, by the Trustees, provided that the Trustees may not, between meetings of Voting Unitholders, appoint an additional Trustee if, after such appointment, the total number of Trustees would be greater than one and one-third times the number of Trustees in office immediately following the last annual meeting of Voting Unitholders. Subject to certain conditions, a vacancy occurring among the Trustees may be filled by resolution of the remaining Trustees as long as they constitute a quorum or by Voting Unitholders at a meeting of the Voting Unitholders.

The Trustees are elected by resolution passed by a majority of the votes cast at a meeting of the Voting Unitholders. Trustees elected at an annual meeting are elected for terms expiring at the next annual meeting and are eligible for re-election. A Trustee elected to fill a vacancy is elected for the remaining term of the Trustee he or she is succeeding. Trustees may be removed with or without cause by a majority of the votes cast at a meeting of Voting Unitholders or with cause by two thirds of the remaining Trustees.

The standard of care and duties of the Trustees provided in the Declaration of Trust are similar to those imposed on a director of a corporation governed by the Business Corporations Act (Ontario). Accordingly, each Trustee is required to exercise the powers and discharge the duties of his office honestly, in good faith with a view to the best interests of Primaris and the Voting Unitholders and, in connection therewith, to exercise the degree of care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances.

The Board is an experienced group of individuals from the real estate, retail and financial communities. The Trustees have full access to legal and financial advisors for advice.

For each Trustee, the following information includes the Trustee's jurisdiction of residence; age; all positions and offices held Primaris; principal occupations or employment during the past five years; status as an independent trustee; and the number and value of Units owned by each of them.

The Trustees are as described in the following pages.

CEASE TRADE ORDERS, BANKRUPTCIES, PENALTIES OR SANCTIONS

Other than as set out below, to the best of the knowledge of management no person or company who is a proposed Trustee of Primaris:

- (a) is, as at the date of this Annual Information Form or has been, within the 10 years before the date of this Annual Information Form, a director or chief executive officer or chief financial officer of any company, that:
 - (i) while that person was acting in that capacity was the subject of a cease trade or similar order or an order that denied the relevant company access to any exemption under securities legislation (each, an "order", for a period of more than 30 consecutive days;
 - (ii) was subject to an order that was issued after that person ceased to act in that capacity and which resulted from an event that occurred while the person was acting in that capacity; or
 - (iii) while the person was acting in that capacity or in the capacity as another executive officer, within a year of that person ceasing to act in any such capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets; or
- (b) has, within the 10 years before the date of this Management Information Circular, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of the director, officer or Unitholder.

Mr. Biggar was a director of Mosaic Group Limited from October 1995 to May 2002. Mosaic Group Limited filed for protection from its creditors under the Companies' Creditor Arrangement Act ("CCAA") on December 17, 2002. CONFLICT OF INTEREST RESTRICTIONS AND PROVISIONS

The Declaration of Trust contains "conflict of interest" provisions that serve to protect Unitholders without creating undue limitations on Primaris. As the Trustees are engaged in a wide range of real estate and other activities, the Declaration of Trust contains provisions, similar to those contained in the Business Corporations Act (Ontario), that require each Trustee to disclose to Primaris any interest in a material contract or transaction or proposed material contract or transaction with Primaris. A Trustee who has made disclosure to the foregoing effect is not entitled to vote on any resolution to approve the contract or

transaction unless the contract or transaction is one relating to his remuneration or for indemnity under the provisions of the Declaration of Trust or liability insurance.

INDEPENDENT TRUSTEE MATTERS

The following matters require the approval of a majority of the Independent Trustees to become effective:

- (1) a material change to any head lease or the interest rate subsidy agreement or any renewal, extension or termination thereof or any increase in the fees payable thereunder (including transaction fees, if any);
- (2) the entering into, waiver of or exercise of any rights or remedies under any agreement entered into by Primaris with any Trustee who is not an Independent Trustee, or any of their respective related parties;
- (3) the refinancing or renewal of any indebtedness owing to any Trustee who is not an Independent Trustee, or any of their respective related parties;
- (4) the making, directly or indirectly, of any co-investment with any Trustee who is not an Independent Trustee, or any of their respective related parties;
- (5) the grant of options or issuing of Units under any option or purchase plan provided to any Trustee, any officer and/or others;
- (6) any change in the number of Trustees of Primaris and the appointment of Trustees to fill any vacancies created by any increase in the number of Trustees;
- (7) decisions relating to compensation of Trustees; and
- (8) any claim by or against any vendor or any of their respective related parties.
